Certificate
of Knowledge

this certificate is presented to:

Claudiu Furtea

for completion of Module 1 in
Web Development Beginner.

During the 1st module, the participants learned what are HTML, CSS and WordPress fundamentals and how to use them to create and design web pages. Gained knowledge of extending functionalities using WordPress Plugins and Bootstrap to create a responsive web design.

Being part of a community, Generația Tech helps Explorers to improve their soft skills such as communicating effectively, teamwork, autonomy and proactivity, and developing a solution-oriented mindset.
